

MEMBER PARTICIPATION FORM

Effective organizations don't happen by chance.
They require planning, lots of input, and participation by
the best and the brightest.

Help us to set the agenda for positive change in the HME industry!

Make sure that your company is represented on the policy-making committees
that best reflect the interests and expertise of you and your employees.

Select All Committees You'd Like to Join

Continuing Education Committee

Help to set the course for the PAMS Annual Convention and all continuing education programming. Creative minds, industry knowledge and a commitment to excellence are a plus.

Legislative Affairs Committee

Stay on top of current legislative developments at both the state and federal levels. Promote HME through legislative lobbying visits in Harrisburg and Washington, DC.

Membership Committee

This is a leadership function designed to keep HME and PAMS healthy, funded and focused to meet the challenges ahead. Membership recruitment, retention and advancement is the focus.

Respiratory Committee

Meets quarterly to stay on top of regulatory, billing and product issues related to the respiratory market. Knowledge of respiratory issues and a desire to equip and train are a plus.

Medical Assistance (MA) Committee

Work to make Pennsylvania's MA program more responsive in quarterly meetings with personnel from the Office of Medical Assistance Programs. Help to identify billing problems, discuss issues and find solutions.
